Free Online Safety Q&A events for Parents

The Stay Safe Partnership deliver Online Safety workshops in Primary and Secondary schools across Lincolnshire every day. In the below events they will give you the most up to date information and tools around what your children are experiencing online, so you can feel confident in keeping them safe from online harm whilst still allowing them to explore the online world. Whether you want to know more around age appropriate apps, online trends, parental controls, social media or any other burning questions this is the event for you! Sign up is required.

Every student. Every day.

Enchanted Forest had the top attendance last week with 100%. Well done!

Whole school attendance for the week was 92% and since September is 93%. National expectation is 96%.

Rock Steady Bands Hit the Beat!

The last week of term saw our Rock Steady bands take the stage and perform for the school and parents. It was an unforgettable showcase of talent, energy, and teamwork! First up, *The Talking Rocks* had the audience clapping along with their performance of "We Will Rock You!" Featuring Layla on drums, Alice on keyboard, and Evie and Florence on vocals, they certainly got the crowd fired up!

Next, *OMG Meatballs* rocked the stage with their rendition of "Dance With Me!" Oliver and Chloe brought the rhythm on drums, while George B and Andrew shredded the lead guitar, George W held it down on bass guitar, and Jack and Milania led with vocals. A truly electrifying performance!

The final band of the day, *The Smelly Roses*, brought the house down with "Sk8er Boi." Willow and Chloe H kept the beat on drums, George and Abby added depth with their keyboards, and Elena and Charlie delivered incredible solos on lead guitar.

The experience certainly amplified the children's confidence. If your child would like to join the band and experience the magic of music, find more information [Parents - Rocksteady Music School](#). Don't miss out on this opportunity to be part of something special!

Latest Reading Ambassador Challenge

Our reading Ambassadors are excited to share that on **April 23rd, from 7pm to 8pm**, it's **#ReadingHour** when people across the UK are dedicating an hour to reading. It's a fantastic opportunity for families, individuals, and communities to come together in the name of reading.

Whether you're reading alone, joining a book club, listening to an audiobook, or reading to your children at bedtime, the goal is simple: make reading a priority in our busy lives.

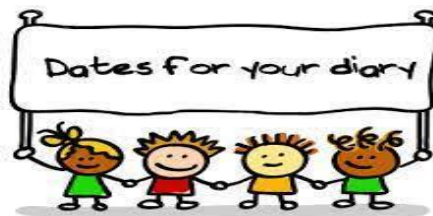

At **Caythorpe**, we believe in the power of books to unlock new worlds. Did you know that **1 in 3 people in England don't regularly read for pleasure**? We're passionate about changing that. The benefits of reading are undeniable!

- **19% of readers** say that reading helps them feel less lonely.
- **Regular readers** report fewer feelings of stress and depression, with reading offering stronger feelings of relaxation compared to watching TV or using technology.
- Adults who read for just **30 minutes a week** are **20% more likely** to report greater life satisfaction.

Whether you prefer print books, e-books, or audiobooks, it doesn't matter—**just enjoy it!** If you've been meaning to pick up that book on your shelf, now is the perfect time.

Please send a photo of your reading (that's adults and siblings too!) by sending to your class teacher on classdojo!

Let's make this World Book Night a moment to celebrate the joy of reading together. Happy reading!
