### Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

| Question   | <u>Stats:</u> | Further context<br>Relative to local challenges   |
|--|---------------|---|
| What percentage of your current Year 6 cohort can swim<br>competently, confidently and proficiently over a distance<br>of at least 25 metres?        | 93%           | 7% (1 pupil) joined at Christmas therefore,<br>missed first term of swimming sessions.<br>Additional sessions were offered to pupils who<br>needed more time. |
| What percentage of your current Year 6 cohort can use<br>a range of strokes effectively [for example, front crawl,<br>backstroke, and breaststroke]? | 93%           | Swimming pool is located in nearest town – this<br>means pupils cannot attend throughout the year<br>due to cost to hire bus for each visit.                  |

| What percentage of your current Year 6 cohort are able<br>to perform safe self-rescue in different water-based<br>situations?  | 93%                  | =   |
|--|----------------------|---|
| If your schools swimming data is below national<br>expectation, you can choose to use the Primary PE and<br>sport premium to provide additional top-up sessions<br>for those pupils that did not meet National Curriculum<br>requirements after the completion of core lessons. Have<br>you done this? | <mark>Yes</mark> /No | Additional sessions were offered to pupils who<br>needed more time. |
| Have you provided CPD to improve the knowledge and<br>confidence of staff to be able to teach swimming and<br>water safety?  | Yes/No               | N/A as pool staff teach swimming sessions                           |
