

Caythorpe Chronicle

Friday 24th April 2026

Welcome back for the Summer Term! We hope you all had a wonderful Easter break.

The children are especially excited now that the weather is improving and they are able to use the field again. We are incredibly fortunate at Caythorpe to have such a beautiful outdoor space for them to enjoy.

There are many important dates for your diaries this term, including our special celebration marking 150 years of a school being part of the Caythorpe village community.

Please remember to check your child's ClassDojo page for their class curriculum letter, which provides information about their learning this term.

Thank you, as always, for your continued support.
Mrs Hunt

🌟 Online Safety Webinar for Primary Aged Parents 🌟

Learn about apps, games, social media and online risks – plus practical ways to keep your child safe.

- ✓ Understand what your child experiences online
- ✓ Use parental controls effectively
- ✓ Navigate age-appropriate apps, games, and social media
- ✓ Ask your burning questions about online trends and risks

This Term's learning sets off with our Big Bangs!

This term, our youngest learners have been diving into an exciting new theme, "Under the Sea!" 🌊

The children were introduced to this magical underwater world through a range of engaging, hands-on activities that sparked their curiosity and imagination. The classroom transformed into an ocean adventure filled with pirates, lobsters, mermaids, and sharks. The children loved exploring our pirate ship, bravely walking the plank, and using their creativity to make their very own

telescopes 🔭

It has been wonderful to see the children so engaged and excited about learning through play.

🌍 A fantastic start to the term in Neverland's Big

Bang! 🌟

This term, the children are exploring the big question: "How do we all fit on Earth?" as part of their geography learning. To kick things off, they explored the shape of our planet and discovered how it is made up of vast oceans and large landmasses known as continents.

The children got creative by painting their own globes, building large collaborative maps, and carefully following instructions to construct stand-up globes from nets. A brilliant hands-on introduction to an exciting topic!

Monday 27th April – Rocksteady Concert 2:30pm
(Rearranged)

Monday 4th May – Bank Holiday – School closed

Friday 8th May – KS1 Cricket event – selected pupils

Monday 11th May – Year 6 SATs week begins

Monday 18th May – Science Week begins – watch out for competitions!

Thursday 21st May – EYFS and KS1 Visit to Lincoln Zoo

Friday 22nd May – Y5/6 Cricket competition

End of term 5

Tuesday 2nd June – Sports Day – parents welcome 9am-11am
– refreshments will be available

Tuesday 2nd June – Well-Being afternoon

More Big Bangs from Key Stage 2

This term Narnia’s Geography enquiry question is be “Where is Caythorpe in the world?” To launch their learning, the children took part in a local walk around Caythorpe. This was a fantastic opportunity for them to observe their surroundings, discuss what they could see, and begin thinking about where Caythorpe is located both locally and in the wider world. During the trip, the children also completed two of their passport activities:

- Having a picnic at the park
- Playing a game with friends at the park

The children thoroughly enjoyed spending time outdoors and were excited to share the different games they like to play with their friends at the park. It was wonderful to see their enthusiasm, teamwork, and creativity in action.

We are looking forward to continuing our geography journey and helping the children develop a deeper understanding of their local area and beyond!

Every student. Every day.

Narnia had the top attendance with 94%. Whole school attendance since September is 95.4%. This is an improvement on last year’s attendance! National expectation is 96%.
