Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 meters?	80%	<i>Additional sessions were offered to pupils who needed more time. 10 within the cohort Y5 also attended swimming to give start for Y6 Teaching was within a block unit of 2 weeks – which saw better progress.</i>
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	70%	<i>Swimming pool is located in nearest town – this means pupils cannot attend throughout the year due to cost to hire bus for each visit.</i>
What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?	80%	
If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?	No	<i>National reaching all was 73% Additional sessions were offered to pupils who needed more time.</i>
Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?	Yes/No	N/A as pool staff teach swimming sessions
